

Free Book for WV Accident Victims

You may not have been able to avoid the collision that caused your injuries, but you can avoid the unnecessary pitfalls of dealing with the insurance adjusters who are motivated and trained to devalue your claim, if not destroy it altogether.

Now you have decisions to make and we are committed to giving you the basic facts that you must know to help you achieve the best results possible regarding your injury claim. *Collision Care: West Virginia Auto Injury Guide* will give you the information that you need about your basic legal rights and the tactics of the insurance companies as you navigate through this difficult and life-changing time.

Collision Care can also be purchased on [Amazon.com](https://www.amazon.com) for \$16.95 plus \$3.99 shipping, but if you act now, we will send it to you at NO COST OR OBLIGATION. Visit [RobinetteLaw.com](https://www.RobinetteLaw.com) or call 304-594-1800 to order your free copy.

Some of the useful information you will find in this book:

- What are my rights?
- What is my legal liability? Whose fault was the collision?
- What is comparative fault? What happens if we were both at fault?
- How do I prove my claim? What documentation must I provide?
- For what damages may I receive compensation?
- Do I really need a lawyer? How to choose the right lawyer for your case.
- Can I afford a lawyer?
- Financial motivation of the insurance company - to minimize their pay-outs and maximize their own profit.
- Statements and Authorizations - think twice and get advice before you sign that release!
- Social media traps and insurance company surveillance of your activities.
- Spoliation of evidence, vehicle salvage issues.
- And much, much more!
